Product Name:

PaperCut MF

Product Manufacturer:

Toshiba

Product Description:

Papercut allows for printer and document

(Attach Product Technical Sheets)

attached

Additional Comments:

I intend on using this to allow my users to quickly authenticate to copiers, track their usage, and possibly limit usage.

EVALUATION CRITERIA

A. Product Reliability

1. Vendor / Product track record

Toshiba - good track record.

2. Vendor support required

Little to none.

3. Ease of use

Very easy to use - allows you to authenticate with your existing school ID badge.

4. Support required by RIC / school district

Initial install and configuration will be handled by Toshiba during copier install. Little to no support required afterwards.

5. Potential to become "White Elephant"

None.

6. Training requirements

Some initial teacher/staff training. Little to none after that.

B. Product-Price / Acquisition

1. Cost effectiveness

This helps cut down on using classroom (smaller) printers. It allows users to print from any device (even at home) via web interface. It allows users to use their ID badges to authenticate to copiers and printers. It tracks

2. Acquire via NYS Contract or local bid

It can be purchased via Toshiba when purchasing their copiers.

3. Cost of operation and support

Little to none.

4. Do any legal or contractual issues exist

None I am aware of.

C. Product-Relationship to Other Standards

1. Compatibility to existing Standards

Similar to Print Manager Pro, but allows for more features.

2. What other options are available

None specific to Toshiba copiers.

3. Relationship to previous research and changes since that time

D.

BOCES-Service Needs

1. Define and explain the current need

This is the recommended product from Toshiba for their copier deployments.

2. What existing CoSer and RIC Service does it fall under

High speed printer/copiers.

3. What is the scope and size of the school population to be served

Medina CSD - 1900 users, 1200 pcs, 12 copiers.

4. Instructional and/or administrative goal supported

Cost savings and ease of use for new copiers.

5. Results of survey determining school district interest in using this product

Signature of person making request
